Contract # HHSN3162015000025W
HUBZone Certified
Small Business

Anacapa Micro Products Inc. has the expertise and resources to provide you with complete IT solutions and product-based services to meet all your specific requirements, including servers, storage, AV, cloud, networking, Telecom, software, and peripherals.

CIO-CS Overview
The Chief Information Officer - Commodities and Solutions (CIO-CS) Government-wide Acquisition Contract (GWAC) is a ten (10) year Indefinite Delivery/Indefinite Quantity (IDIQ) contract with one 60-month base period from 05/01/2015 to 04/30/2020; and one 60-month option period from 05/01/2020 to 04/30/2025 under which federal government agencies may award delivery orders to acquire IT commodities and solutions.

The Department of Health and Human Services (HHS), National Institute of Health (NIH), National Institutes of Health Information Technology Acquisition and Assessment Center (NITAAC), has a requirement to provide a mechanism for the federal government to procure IT commodity solutions as they relate to health and life sciences capabilities, and general Information Technology (IT) initiatives.

Federal agencies can use this GWAC for acquiring a wide range of IT commodities and associated commodity enabling services. The GWAC is an IDIQ contract against which federal agencies can issue delivery orders for their specific requirements. The focus of this contract is to provide government agencies with a mechanism for quick ordering of needed IT commodities and associated commodity enabling services at equitable and reasonable prices.

Attributes and Details:
* Streamlined ordering and procedures under FAR Subpart 16.505 save time, money and resources
* Delivery orders placed directly by agency with end-to-end management by procuring CO
* Best available prices negotiated at the master contract level
* Delivery order competition drives prices even lower
* Customized terms and conditions are easily added at the delivery order level
* 5-Year plus 5-year option multiple award indefinite delivery, indefinite quantity (IDIQ) GWAC
* $20 billion contract ceiling
* For everything IT in support of the Federal Enterprise Architecture, the Department of Defense Enterprise Architecture and the Federal Health Architecture
* 17 million CLINS and counting
* Technical refresh program (TRP) enables commodities to be added continually, or within hours of your request
* NITAAC Contract Access Fee (NCAF) is ½%
* Flexible ordering procedures and options
